Hello Ankit Sir,

Hope you are well!

I represent **EduGorilla**, a **SaaS** platform that lets you set up your **online teaching academy** under your **own branded website** and **mobile application** and many more services.

**Services Provided By EduGorilla****1. Online Platform under your branding.**

It is a **powerful** online academy tool **trusted by over 15000 clients, 4CR+ students** and education businesses across the globe. It is flexible, feature-rich and at the same time **budget-friendly**.

Some of the key highlight features are:

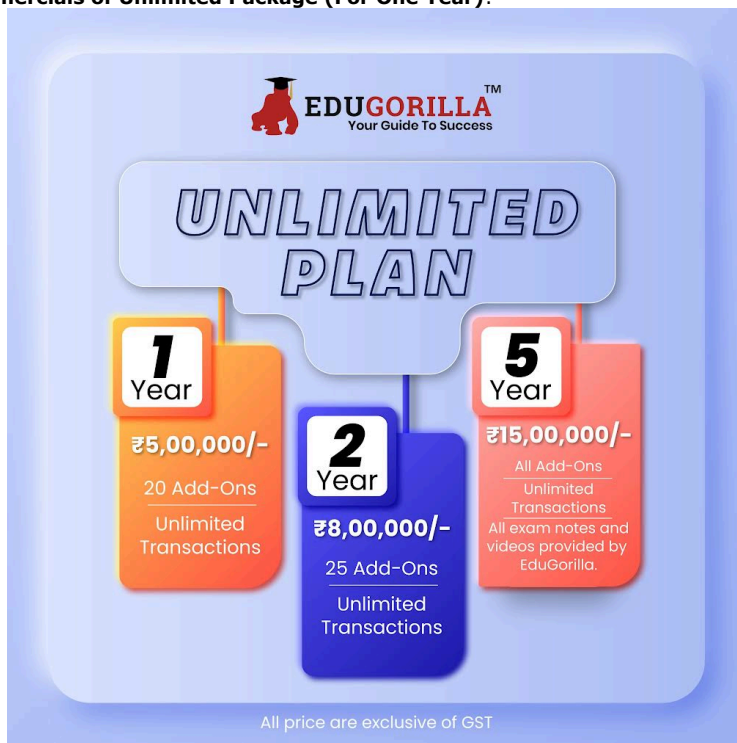

- Quick multi-media content upload (video, pdf, and more)
- Seamless payment gateway integration (Razor pay)
- Create your course portal landing page
- 1600+ Mock test series [All-India Online Test Series for Bank, SSC, JEE, CAT, GATE \(edugorilla.com\)](https://edugorilla.com)
- Integrated marketing rich features (Push notifications, Free Preview, Editable Banners, Discount Features, and more)
- Student Engagement Features (Discussions, Live Classes, Video Course creation, E-Library, Exams, Feedback and more)
- Self-paced learning-enabled
- Personalized Course Selling Website and Mobile Application (Android & iOS)
- SDKs to link any existing website OR app
- Customization support.
- **You may also view a sample installation at our proud clients who have transformed their business after starting our EduGorilla White label Platform**

Deliverable:-

- White label **Web Portal, Android & iOS app.**
- EduGorilla will provide **Technical & content support and the client can also add its content.**

As per our discussion, we have agreed on the following package of TEST SERIES where party 1 is **EduGorilla** & Party 2 is **Mr. Ankit Sir**. White label test series portal and android test series application in the name of your organization.

Commercials of Unlimited Package (For One Year):-

- **Commercials of Unlimited Plan for One year:-**

- EduGorilla will take care of the hosting, except for domain registration, Google Console including any cost involved.
- Both parties involved will ensure that all IPs related to each are safeguarded during and after integration.
- EduGorilla will provide all the **20 paid add-ons** i.e.

Add-Ons (Plugins) List :**Features**

Live Class Feature, Video course creation feature, E-Library, Discount Coupon creation, Classroom assistant, Extra HTML page, Unlimited App Notification Feature, New Ui with Live Editor (You can customize your web as per your requirement), Exampage (For SEO), Refer&Earn, ERP for making multiple Teacher Amin.

Marketing kit(1000GB Data with one year Canva pro)

Offer Pricing and sharing

1. Price will be **INR 2 Lakh +GST** , and in this plan EduGorilla will not take any revenue sharing till the time period of 1 Year. After the expiry of this plan if Party 2 wants to renew this plan Party can do same process

2. **After the 1 Year, EduGorilla will take 5% revenue sharing on selling price.**

If Clients earn INR 80 Lakh till that given one year this period, In that scenario EduGorilla will take 3% revenue sharing after that unlimited plan.

- EduGorilla will not take any share for a period of one year, the whole amount will be transferred to Party 2. Under this plan, you can approach the "N" number of students.
- Party 1(EduGorilla)'s product only supports razorpay or paytm payment gateway right now.
- If Party 2 wants any other payment gateway apart from above mentioned, timeline of integration will be provided by Party 1 after doing feasibility study.

- **Why Go Online-Ready with Gibbon?**

****Boost Your Revenue****

Earn up to ₹5-8 Lakh+ per month by leveraging Digital Classrooms, E-Library (For selling notes), Video Course, Live session, & Online Tests.

We would love to connect with you for a more in-depth discussion. To help you get a better understanding of our offerings, we have attached a detailed document outlining all the key plans of EduGorilla's Gibbon.

If you feel any doubt and query please let me know in this given contact details.
